While Lake Louisa is exempt from this requirement because it is a private lake, members who own a boat will be required to show proof of compliance to receive their boating registration.

The current requirements are:

Also, an individual under direct supervision of an individual who has met the requirement is also not required to take the course.

While completion of a boating safety course is no guarantee that an individual will operate a boat in a safe manner, awareness of what constitutes safe boating is important and could make Lake Louisa a safer place for all to enjoy.

 - (a) Complaint Hearings: When the General Manager's action does not resolve an issue or complaint, then the General Manager, or the complaining party(s), or the party(s) who is/are the subject of the complaint may request a hearing before the Compliance Committee. The hearing is to be held within four (4) weeks of the time of request, but no less than fourteen (14) days after the date of notification by certified mail (return receipt requested) hand delivered if possible (receipt required) and regular U.S. mail. In special cases hearings may be scheduled sooner, providing that all parties agree and have a reasonable amount of time for preparation.
 - (b) Citation For Violation Hearing: These hearings shall be scheduled at least fourteen (14) days from the date of the issuance of the Citation for Violation. Hearings will be open sessions as a general rule; however, the Committee is authorized to hold executive sessions. All decisions and rulings shall be announced in open session including executive session decisions. The Committee shall maintain documentation of all hearings, which will be filed as part of the Association's permanent records. All results of the Compliance Committee hearings shall be provided to the Board at the following Board Meeting.

 - (b) Violators who fail to remedy the violation(s) and/or pay charges within fifteen (15) days and/or ignore charges assessed by the Compliance Committee and have not submitted an appeal to the Board are subject to additional charges and all legal fees.
2. Members/non member occupants are responsible for their guests and charges may be assessed for violations committed by the guest(s) and/or the member/non member occupant responsible for the guest(s) and to abide by any decisions made by the Compliance Committee including right to appeal.
3. The hearing result shall be hand delivered or mailed by registered or certified mail, return receipt requested, to the member at the address of record with the Association within seven days of the hearing.

F. Appeal of a Case:

2. All individuals whose cases are appealed to the Board are entitled to be present and represented by counsel when their case is considered by the Board and to present any facts for consideration of their case. The Board shall make every effort to act expeditiously and shall render a decision at the next regularly scheduled meeting following that meeting at which the Board was officially informed of an appeal which required this action.
3. Following consideration of the appeal by the Board, the decision of the Board shall be final and, if it includes a monetary charge, said charge must be paid thirty (30) days from the date of the decision. Failure to pay charges within the prescribed time is cause for legal action.
